Prepared statements

Speakers in the Security Council are advised that providing in advance copies of prepared statements which they intend to read out in the Council greatly facilitates the work of the Secretariat by permitting a sufficient number of copies to be distributed to all meeting participants and by assisting interpreters, verbatim reporters and press officers in maintaining the quality of the product delivered. Both interpretations and verbatim records rely upon the statement actually delivered, but copies of texts help interpreters to correctly render details and nuances and help verbatim reporters to produce the written record more quickly. Speakers are therefore encouraged, whenever possible, to provide copies of their statements, as early as possible in advance of delivery, to the Conference Officer in the Chamber.

Delegations are kindly requested to make 40 copies for minimum distribution to Council members and relevant services, and 200 additional copies for general distribution in the Security Council Chamber.

Delegations wishing to make statements available for the media are kindly requested to deliver 50 copies to the Media Documents Centre (e-mail mdc@un.org; tel. 1 (212) 963-7166; room SA-1B12).

Treaty Event

Multilateral Treaty Framework: An invitation to universal participation

2010 Treaty Event: Towards universal participation and implementation

United Nations Headquarters (21–23 and 27–28 September 2010)

It is recalled that a series of successful treaty events have been held annually at the Headquarters of the United Nations commencing with the Millennium Summit in 2000. This year, the annual treaty event will be held from Tuesday, 21, to Thursday, 23 September, and on Monday, 27, and Tuesday, 28 September 2010, at United Nations Headquarters, to coincide with the general debate of the sixty-fifth session of the General Assembly.

The Event, entitled “2010 Treaty Event: Towards universal participation and implementation”, provides a distinct opportunity for States to demonstrate their continuing commitment to the central role of the rule of law in international relations. This year’s event will highlight treaties of global reach such as human rights, terrorism, penal matters, disarmament, climate change and the protection of United Nations personnel. In particular, this year will highlight a theme which celebrates and safeguards life on earth, biodiversity. 2010 marks the International Year of Biodiversity; it also marks the start of the United Nations Decade for Deserts and the Fight against Desertification, another global issue requiring a global response.

The list of treaties being highlighted this year has been circulated by depositary notification C.N.243.2010.TREATIES-3 of 28 April 2010. As is customary, it will be possible to undertake treaty actions with regard to any treaty deposited with the Secretary-General during the treaty event. Necessary facilities, including media coverage, will be made available for treaty actions to be undertaken in a solemn setting.

Delegations intending to sign or deposit instruments of ratification, acceptance, approval or accession relating to multilateral treaties deposited with the Secretary-General during the treaty event may wish to inform their Governments accordingly for the purpose of completing the requisite domestic procedures.

Under established international practice, only Heads of State, Heads of Government or Ministers for Foreign Affairs are empowered, by virtue of their functions, to sign treaties on behalf of States without having to produce full powers to that effect. All other representatives wishing to sign treaties must be in possession of appropriate full powers, which expressly authorize signature of specified treaties by a named

representative issued and signed by one of these authorities. Likewise, instruments of ratification, acceptance, approval or accession must be issued and signed by the same authorities.

Further information concerning the 2010 Treaty Event is available on the United Nations Treaty Collection Web site <<http://treaties.un.org>> and at the Treaty Section, Office of Legal Affairs (contact: Ms. Annebeth Rosenboom (e-mail rosenboom@un.org; tel. 1 (212) 963-5047); or Mr. Bradford Smith (e-mail smithb@un.org; tel. 1 (212) 963-3942)). Information concerning the requirements for full powers and the deposit of instruments of ratification, acceptance, approval or accession (including model instruments) can be found in the *Treaty Handbook*, which is also available on the United Nations Treaty Collection Web site.

Prepared statements

Speakers in the Security Council are advised that providing in advance copies of prepared statements which they intend to read out in the Council greatly facilitates the work of the Secretariat by permitting a sufficient number of copies to be distributed to all meeting participants and by assisting interpreters, verbatim reporters and press officers in maintaining the quality of the product delivered. Both interpretations and verbatim records rely upon the statement actually delivered, but copies of texts help interpreters to correctly render details and nuances and help verbatim reporters to produce the written record more quickly. Speakers are therefore encouraged, whenever possible, to provide copies of their statements, as early as possible in advance of delivery, to the Conference Officer in the Chamber.

Delegations are kindly requested to make 40 copies for minimum distribution to Council members and relevant services, and 200 additional copies for general distribution in the Security Council Chamber.

Delegations wishing to make statements available for the media are kindly requested to deliver 50 copies to the Media Documents Centre (e-mail mdc@un.org; tel. 1 (212) 963-7166; room SA-1B12).

Treaty Event

Multilateral Treaty Framework: An invitation to universal participation

2010 Treaty Event: Towards universal participation and implementation

United Nations Headquarters (21–23 and 27–28 September 2010)

It is recalled that a series of successful treaty events have been held annually at the Headquarters of the United Nations commencing with the Millennium Summit in 2000. This year, the annual treaty event will be held from Tuesday, 21, to Thursday, 23 September, and on Monday, 27, and Tuesday, 28 September 2010, at United Nations Headquarters, to coincide with the general debate of the sixty-fifth session of the General Assembly.

The Event, entitled “2010 Treaty Event: Towards universal participation and implementation”, provides a distinct opportunity for States to demonstrate their continuing commitment to the central role of the rule of law in international relations. This year’s event will highlight treaties of global reach such as human rights, terrorism, penal matters, disarmament, climate change and the protection of United Nations personnel. In particular, this year will highlight a theme which celebrates and safeguards life on earth, biodiversity. 2010 marks the International Year of Biodiversity; it also marks the start of the United Nations Decade for Deserts and the Fight against Desertification, another global issue requiring a global response.

The list of treaties being highlighted this year has been circulated by depositary notification C.N.243.2010.TREATIES-3 of 28 April 2010. As is customary, it will be possible to undertake treaty actions with regard to any treaty deposited with the Secretary-General during the treaty event. Necessary facilities, including media coverage, will be made available for treaty actions to be undertaken in a solemn setting.

Delegations intending to sign or deposit instruments of ratification, acceptance, approval or accession relating to multilateral treaties deposited with the Secretary-General during the treaty event may wish to inform their Governments accordingly for the purpose of completing the requisite domestic procedures.

Under established international practice, only Heads of State, Heads of Government or Ministers for Foreign Affairs are empowered, by virtue of their functions, to sign treaties on behalf of States without having to produce full powers to that effect. All

other representatives wishing to sign treaties must be in possession of appropriate full powers, which expressly authorize signature of specified treaties by a named representative issued and signed by one of these authorities. Likewise, instruments of ratification, acceptance, approval or accession must be issued and signed by the same authorities.

Further information concerning the 2010 Treaty Event is available on the United Nations Treaty Collection Web site <<http://treaties.un.org>> and at the Treaty Section, Office of Legal Affairs (contact: Ms. Annebeth Rosenboom (e-mail rosenboom@un.org; tel. 1 (212) 963-5047); or Mr. Bradford Smith (e-mail smithb@un.org; tel. 1 (212) 963-3942)). Information concerning the requirements for full powers and the deposit of instruments of ratification, acceptance, approval or accession (including model instruments) can be found in the *Treaty Handbook*, which is also available on the United Nations Treaty Collection Web site.

Prepared statements

Speakers in the Security Council are advised that providing in advance copies of prepared statements which they intend to read out in the Council greatly facilitates the work of the Secretariat by permitting a sufficient number of copies to be distributed to all meeting participants and by assisting interpreters, verbatim reporters and press officers in maintaining the quality of the product delivered. Both interpretations and verbatim records rely upon the statement actually delivered, but copies of texts help interpreters to correctly render details and nuances and help verbatim reporters to produce the written record more quickly. Speakers are therefore encouraged, whenever possible, to provide copies of their statements, as early as possible in advance of delivery, to the Conference Officer in the Chamber.

Delegations are kindly requested to make 40 copies for minimum distribution to Council members and relevant services, and 200 additional copies for general distribution in the Security Council Chamber.

Delegations wishing to make statements available for the media are kindly requested to deliver 50 copies to the Media Documents Centre (e-mail mdc@un.org; tel. 1 (212) 963-7166; room SA-1B12).

Treaty Event

Multilateral Treaty Framework: An invitation to universal participation

2010 Treaty Event: Towards universal participation and implementation

United Nations Headquarters (21–23 and 27–28 September 2010)

It is recalled that a series of successful treaty events have been held annually at the Headquarters of the United Nations commencing with the Millennium Summit in 2000. This year, the annual treaty event will be held from Tuesday, 21, to Thursday, 23 September, and on Monday, 27, and Tuesday, 28 September 2010, at United Nations Headquarters, to coincide with the general debate of the sixty-fifth session of the General Assembly.

The Event, entitled "2010 Treaty Event: Towards universal participation and implementation", provides a distinct opportunity for States to demonstrate their continuing commitment to the central role of the rule of law in international relations. This year's event will highlight treaties of global reach such as human rights, terrorism, penal matters, disarmament, climate change and the protection of United Nations personnel. In particular, this year will highlight a theme which celebrates and safeguards life on earth, biodiversity. 2010 marks the International Year of Biodiversity; it also marks the start of the United Nations Decade for Deserts and the Fight against Desertification, another global issue requiring a global response.

The list of treaties being highlighted this year has been circulated by depositary notification C.N.243.2010.TREATIES-3 of 28 April 2010. As is customary, it will be possible to undertake treaty actions with regard to any treaty deposited with the Secretary-General during the treaty event. Necessary facilities, including media coverage, will be made available for treaty actions to be undertaken in a solemn setting.

Delegations intending to sign or deposit instruments of ratification, acceptance, approval or accession relating to multilateral treaties deposited with the Secretary-General during the treaty event may wish to inform their Governments accordingly for the purpose of completing the requisite domestic procedures.

Under established international practice, only Heads of State, Heads of Government or Ministers for Foreign Affairs are empowered, by virtue of their functions, to sign treaties on behalf of States without having to produce full powers to that effect. All other representatives wishing to sign treaties must be in possession of appropriate full powers, which expressly authorize signature of specified treaties by a named representative issued and signed by one of these authorities. Likewise, instruments of ratification, acceptance, approval or accession must be issued and signed by the same authorities.

Further information concerning the 2010 Treaty Event is available on the United Nations Treaty Collection Web site <<http://treaties.un.org>> and at the Treaty Section, Office of Legal Affairs (contact: Ms. Annebeth Rosenboom (e-mail rosenboom@un.org; tel. 1 (212) 963-5047); or Mr. Bradford Smith (e-mail smithb@un.org; tel. 1 (212) 963-3942)). Information concerning the requirements for full powers and the deposit of instruments of ratification, acceptance, approval or accession (including model instruments) can be found in the *Treaty Handbook*, which is also available on the United Nations Treaty Collection Web site.
